

# College Changes Everything

## David Kidd - ACCESS Alumnus

- Education:** Bayside High School; B.A., Virginia Wesleyan College
- Current Position:** ACCESS Advisor
- Proudest Moment:** I'm the first of my entire family to go to college.
- Making a Difference:** Currently I am an ACCESS Advisor, working at Indian River High and First Colonial High Schools. I see myself in some of these students. ACCESS has given me the ability to help them in the same way I was helped.

*"ACCESS College Foundation, I believe, is one of the best organizations in the area. It's in every high school in South Hampton Roads. It supports and assists thousands of kids in the area who will go off to college, become educated, come back to the community and really help our area thrive. Without ACCESS, I don't know if I would have had the means to go to college. ACCESS pointed me in the right direction, that is for sure."*
