

College Changes Everything

Samantha Ryan Vowell - ACCESS Alumna

Education:

Bayside High School; B.S., Old Dominion University

Current Position:

Graduate, Old Dominion University

Proudest Moment:

My proudest moment is inspiring my younger brother to attend college and being able to guide and support him in the process.

Making a Difference:

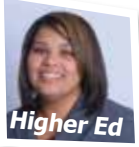

My goal is to specialize in Oncology, be a missionary doctor and go places outside of the United States to give medical care to those that can't afford it.

"ACCESS is important because it helps students who want to go to college, but may not have the means to go. It helps those students find ways to go to college, whether with an ACCESS scholarship or by helping find another scholarship. ACCESS College Foundation helps students fund their dreams."
